INSURANCE PROPOSAL

PROPOSAL

Eligibility Application

Insurance Coverage

Residential Builders Warranty Insurance protects the person on whose behalf work is to be done and the subsequent homeowners for loss or damage resulting from non-completion of the work or breach of statutory warranty because of death, disappearance or insolvency of the builder.

Letter of Eligibility (LOE)

Builders require a LOE from an approved Home Warranty Insurer in order to qualify for and/or renew their Building Licence in most states and territories. Upon receipt of this completed application form our underwriters will undertake an assessment of the financial position and technical qualifications/experience of the builder as part of the approval process. Approved applicants will then be issued with a LOE to enable them to comply with the respective State Regulations and/or Ministerial Order pertaining to the State/Territory in which they operate. The LOE will clearly show the Approved Annual Turnover Limit, Annual Construction Limit, the type of construction for which the builder has been approved and relative expiry date. The LOE will be subject to review and the frequency of this process will be clearly communicated to the builder. The LOE can not be used as a Certificate of insurance. The LOE can be cancelled at any time at the discretion of QBE.

Issuance of Certificates

Licensed Builders that have been issued with a LOE can then proceed to apply for individual Residential Builders Warranty Certificates (on a contract by contract basis) in order to meet statutory requirements. This process requires licenced builders to complete QBE's "Job Specific Application Form" or "Multi Unit Development Application Form" (which may vary depending on the type of construction). Retro-active cover will not be provided for jobs already commenced prior to granting Eligibility without consent in writing from QBE.

Service & Delivery

In order for QBE to provide Builders with superior levels of service, please ensure the following:

- The application form (original) is completed in full.
- All requested information/documentation is provided.
- The application has been signed and dated by all relevant parties.

The original application form and additional information has to be lodged with your intermediary/broker. Please note that if the application is incomplete or missing any supporting documentation, we can not process the application which will be returned to the intermediary resulting in delays and inconvenience to all parties.

QBE's Residential Builders Warranty Division further strengthens our commitment to the Australian Construction Industry. The other specialist construction insurance products that we offer include Contract and Deposit Bonds, Contract Works and Liability.

Duty of Disclosure

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by the insurer.
- that is of common knowledge.
- that your insurer knows or, in the ordinary course of its business, ought to know.
- as to which compliance with your duty is waived by the insurer.
